#### How does PRCS Sports Office organize leagues?

- The leagues are based on the number of teams in each division and the number of players at the practice locations.
- Practice sites that do not have enough players to make a team will be relocated to the nearest available practice location needing players. Relocated players will be notified.

## Concussion Awareness and Safety

A concussion is a brain injury.

Concussions are caused by a bump or blow to the head.

Even a "ding," "getting your bell rung," or what seems to be a mild bump or blow to the head can be serious.

You can't see a concussion.

Signs and symptoms of concussion can show up right after the hit/fall or may not appear or be noticed until days or weeks after the injury.

If your child reports any symptoms of concussion, or if you notice the symptoms yourself, seek medical attention right away.

### Signs and Symptoms

Appears dazed, confused, or stunned  
is confused about assignment or position  
forgets instruction

unsure of game, score, or opponent  
moves clumsily

answers questions slowly

loses consciousness (even briefly)

shows behavior or personality changes

can't recall events prior to or after hit or fall

headache or "pressure" in head

nausea or vomiting

balance problems or dizziness

double or blurry vision

sensitive to light and/or noise

feeling sluggish, hazy, foggy, or groggy

concentration or memory problems

or just does not "feel right"

Parents can also take an active approach to learn more about concussions.

Heads Up: Concussion in Youth Sports is a free, online course available to coaches, parents, and others helping to keep athletes safe from concussion.

It features interviews with leading experts, interactive exercises, and compelling storytelling to help one recognize a concussion and know how to respond if they think that their athlete might have a concussion.

## Volunteering "You want ME to coach a youth sports team?!"

If you're feeling intimidated by the thought of coaching, relax, we aren't the pros. Our goal is for our young players is to develop a foundation based on support, encouragement, and skill development. Our Coaching Program is designed so players develop a positive image of themselves, their teammates, coaches, game officials and opponents. It is the goal that every volunteer coach be trained and certified. You can quickly learn the fundamentals by talking to others, reading a coaching manual and attending all the coaches training sessions. Applying those techniques will ensure proper skill development and a satisfying experience for everyone. If more information is needed, please call (719) 385-5981.

We recommend parents helping the coach plan those season extras like providing game refreshments and helping with scheduling pictures, trophies and/or after season parties. All team costs are the sole responsibility of the parents. PRCS Sports Office does not endorse any photographer or business.

**Note: It is a good idea to plan ahead for parties and banquets, as many places require reservations one to two months in advance.**
