Changing Meeting Frequency

- Discussion raised about meeting less frequently due to lack of projects proposed to the commission and that the commission cannot take a more active role until and if changes to the commission ordinance allow it.
- Several meeting frequencies and meeting structures discussed.
- Proposal brought to a vote to move regular meetings to every other month, to be re-evaluated if city approves changes to the commission ordinance, and with the ability to call for additional meetings as desired.
- Proposal approved unanimously.

Other Items

- Interviews for vacant seats to be held in March.
- An organizing committee has been created within the city for the 250th/150th Country/State anniversary celebration. The celebration could be a good opportunity for public art display, and to get more recognition for PAC as an entity.
- Quick discussion on potentially getting name tags for PAC members so they can more formally act as representatives of the commission at art events in the community.

Meeting Adjourned: 4:55 p.m.
